Career Objective

A passionate individual with a strong interest in design, problem-solving, and user-centric application development. Proficient in front-end and backend development with experience in C++, Java, JavaScript, Python, and modern frameworks like Spring Boot and React.js. Enthusiastic about applying problem-solving skills to create innovative real-world solutions.

Education

B.E. Computer Science and Engineering **2023–2027**
Sri Krishna College of Technology, Coimbatore *CGPA: 8.38*

Higher Secondary Certificate (HSC) **2023**
Government Model School, Tirupathur *Percentage: 90%*

Technical Skills

Programming Languages: Java, C++
Web Technologies: HTML, CSS, React.js
Backend Technologies: Spring Boot, RESTful APIs
Database: MySQL
Concepts: Data Structures and Algorithms, Artificial Intelligence and Machine Learning
Tools & Frameworks: GitHub, VS Code
Soft Skills: Debugging, Leadership, Creative Thinking, Problem Solving, Team Collaboration

Projects

Digital Locker System (Full Stack) | *Spring Boot, React.js, MySQL* | GitHub
- Developed a full-stack Digital Locker system using Spring Boot, React JS, and MySQL for secure document management.
- Implemented RESTful APIs and a responsive UI to handle user authentication, document upload/download, and access control.

Online Food Delivery Application | *React.js* | GitHub
- Developed a web-based food delivery application for browsing restaurants, placing orders, and managing carts.
- Implemented dynamic user interfaces with React JS, including authentication and order tracking features.

Yoga Academy Portal | *Spring Boot* | GitHub
- Developed a Spring Boot–based portal to manage online yoga classes, instructors, and student enrollments.
- Implemented RESTful APIs for scheduling sessions, tracking attendance, and handling subscriptions.

Experience

Java Developer Intern **May 2025**
NextGen Technology , Vellore
- Contributed to the development and enhancement of Java-based application modules.
- Collaborated with the team to test, debug, and improve application functionality.

Achievements & Participations

- **She Codes Aug 2024** – 3rd Place.
- **She Codes Sep 2024** – 2nd Place.
- **Hackathons:** SIH 2024, I am Neo 2024, She Codes AI 2025.
- **Workshop:** Intel Gen AI – AVANTAA'24.

Certifications

- **NPTEL:** Effective Writing (56%), Cloud Computing (Elite), Mobile VR and AI(Elite).
- **Infosys Springboard and Coursera::** Java and C++, React.js, DSA, AWS, UI and UX Design,Web Development
- **Cisco Networking Academy:** Introduction to Networks, Introduction to Cybersecurity, Python Essentials 1 2
